

HOPE OF THE WORLD

Leading for Mission Conference with Bill Hybels & Guests

2-3 February 2018 | Peterborough | willowcreek.org.uk

WILLOW CREEK
ASSOCIATION

Overview

How does a leader shape a church for evangelism?

Two of the most important flywheels for ministry are leadership and evangelism. Leadership allows others to thrive in their gifts and evangelism invites them into a better story. Yet the experience for many church leaders is that vision leaks and evangelism evaporates! How then can a church reach its full redemptive potential?

Church leaders and their ministry teams are invited to join Bill Hybels and guests as they address this question and what it takes to shape a church for evangelism.

A new opportunity

This conference is an opportunity to take time out with your leaders to develop increased evangelistic effectiveness, with take home principles to apply.

Become better equipped to face evangelism 'evaporators' such as mission drift, communication issues and lack of engagement.

Your team will come away with renewed passion and purpose to shape your church for evangelism.
